## RELIABLE & TRUSTED

### PRODUCTS FOR YOUR AUTOMOTIVE, POWER SPORTS AND MARINE NEEDS

Since 1965, Deltran has taken great pride in designing, manufacturing, and distributing technologically advanced products that meet the ever-changing needs of our worldwide customers. Our strategic initiatives have continued to focus on innovation and customer satisfaction.

Here at Deltran, performance isn't just a business, it's a way of life. Long after the final sale, our commitment to service lives on. We are constantly striving to improve every element of our business; from the products themselves to marketing and distribution. As the world advances, we remain state-of-the-art with innovative designs and technologies.

Battery Tender® assures the highest quality battery charging convenience and performance. That's why we are the top choice of collectors, dealers, and fleet owners. Your vehicles are ready to go when you are. You just set it and forget it, saving you hundreds of dollars in replacement batteries.

This year we are also proud to announce our new innovation-based vehicle accessory brand Hyperion®. Hyperion® offers the same quality you have come to expect from the Deltran family with a range of products that keeps you safe when on the road.
